KIRC has taken the overwhelming step to provide the grant opportunity to the students in the field of engineering by signing the MOU with the EIT. This MOU enables exchange of teaching skills various courses to EIT, joint research, activities, seminars, study materials and many more. Students of this university are benefited by getting opportunities to study at EIT like Student Mobility and Exchange, Mechatronics/IA Gap, Other Degrees- Joint Awards, Articulation from Master's degree to EIT's Master degree, Exchange Resources, Faculty Exchange and Lab Collaboration.

This agreement sets out the purpose, Terms and Conditions of cooperation between EIT and KIRC. This agreement pertains to teaching, research and Student exchange. Different prospects, which are available to the students in the campus, are detail as following.

In the field of education: To exchange experience in teaching methods, to exchange staff members for the purpose of giving lectures, taking part in seminars etc.

In the field of Research: To carry out joint research projects. To exchange scientific and technical information, To coordinate research studies, To exchange scientific results in specific fields of science, To publish the results in these fields, To organize joint seminars, conferences, symposia etc.

In the field of student exchange: To create conditions enabling students to take undergraduate, postgraduate or PhD, studies at a partner institution being a party to this agreement, To exchange students for a period of one semester or its part, or for a time needed to carry out a specific project, practical training or preparation of a thesis, To carry out joint research programmers by students, To exchange students under student traineeship schemes.
